My name is
JESSICA OPUKU

Date of Birth: 8/03/2015

Gender: Female

Thanks to your support, I will be able to attend school every day, eat a nutritious lunch, receive health insurance registration and use all my books and pencils to learn.

I have one sibling. My father is a labourer and my mother is a street trader. We live in an uncompleted house that my parents are caretakers for. We sleep together on a mat on the floor. We have electricity at home but do not have running water. I love to play at school and would like to be a nurse in the future.
